OUR MISSION

We have a simple purpose at the Holistic Moms Network: to make a difference, one family at a time. At the Holistic Moms Network, our mission is to generate awareness, education, and support for holistic parenting and green living by providing nurturing, open-minded, and respectful local community networks that encourage families to share these ideals and learn from each other. By providing support and community, we empower parents to make positive lifestyle changes for health, wellness, and the sustainability of our planet.

Our community represents thousands of parents nationwide who are working to build a healthier and more sustainable future. By joining our individual voices, we create a powerful force for change.

Holistic Moms Network GATHERING

After 12 amazingly successful years of the Natural Living Conference, this year the Holistic Moms Network members have asked for a more intimate, hands-on, interactive day to engage with vendors, practitioners and each other.

For 2016 we're excited to host the Holistic Moms Network Gathering, an exclusive event connecting over 100 holistic parents with speakers, workshops, and natural practitioners in an intimate setting to deepen our understanding and passion for natural living. This year's Gathering is specifically focused on self-care for moms, and nurturing ourselves for healthier, happier families.

WHAT PAST ATTENDEES HAVE SAID

“Education, Inspiration, Emotion – all are always evident at this conference for me. I learn something new, am inspired by the speakers, parents and children and mostly my heart is warmed to see old friends and kindred spirits.”

Jenifer, NLC Attendee

“Congratulations on a fabulous job! The conference was empowering, energizing and inspiring. It was wonderful to meet so many wonderful moms (and Dads!) who care so deeply about their kids. Thank you so much for all of your efforts!”

Jen, NLC Attendee

“The Natural Living Conference is like a gift to myself and my family. I left feeling renewed, re-energized and optimistic about my family’s future. Thank you so much for allowing me to participate again this year. I am already looking forward to next year’s conference!”

Heather, NLC Attendee
